

## PLATTSBURG'S IN 15 INNINGS

Giants Lost Heart-breaking  
Game Yesterday.

### BRILLIANT FIELDING

Kept the Game Going for the Six Extra  
Innings—Barberick Knocked Out  
of the Box Early in the  
Game.

Plattsburg, N. Y., July 21.—Plattsburg and the Barre-Montpelier ball team played another of their extra innings games here yesterday afternoon, and it proved to be the most stubbornly contested of the season, the home team winning out in the fifteenth inning with the score 5 to 4. There was scoring in only four of the 15. It was a game characterized by most brilliant fielding, time and again seemingly sure hits being converted into outs by exceptionally fast playing on the part of both teams.

Barberick was put against Morey at the start, but when the visitors got after him for three safe hits, including a double in the fifth, the local management substituted Hildebrand. The change was effective, although the visitors worked in two in the ninth, tying the score, and causing the extra innings to be played. Considering the length of the game there were few errors, the visitors being charged with five and the home team with three. Unice made two of the Intercity's misplays, but he had eight chances. The work of "Boots" McMahon was the star performance of the game, that rangy fielder covering center field better than that position has ever been covered here. He had nine putouts, which shows that there was something doing with him. The batting honors of the day were divided by Shaughnessy of the Intercity and Kuhnes of Plattsburg. Each got four hits, but the former's were for more bases. Shaughnessy lifted out two triples, one double and one single.

After the fourth inning Plattsburg didn't score until the deciding run was made in the fifteenth. In the fourth, Kuhnes doubled, followed by Lauder's being hit by the ball. Morey then fumbled McDonnell's grounder, and the bases were full. Bottomus then landed for three bases, and the three men ahead of him scored. Immediately after that Shaughnessy dropped a long fly, and Bottomus scored. The home team's score in the last inning was made with two out. Kretschell, Hildebrand and Cote, tied out. Kuhnes, however, was good for the occasion and rapped out a liner which Shaughnessy got hold of but couldn't keep, Kretschell scoring.

## Bar Out Bugs and Insects!

While away for the Summer don't allow your home to be overrun by bugs and insects. These destructive pests find entrance to the most carefully kept homes, especially those unoccupied.

Kendrick's Insect Powder never fails to kill or drive away—and keep away—moths, bedbugs, roaches, fleas, flies, etc. Costs little to use, and to use it now costs less than to wait until you return to find your home invaded and damage done.

### WIGGS WAS WILD.

Largely Responsible for Burlington's Defeat by Rutland.

Burlington, July 21.—The wildness of Wiggs and frequent and timely connection with his delivery gave Rutland the game over Burlington yesterday afternoon at Athletic Park. A total of eight hits and twelve bases were made off the big fellow. He also passed six men and struck out one. Minahan was touched up safely five times only, and four of these came in the fourth when Burlington made her only two runs and tied the score.

Warner was put out of the game by the umpire for kicking. In the second, Dyer singled, reached third on Duff's double and both scored on Shaughnessy's single. In the fifth O'Hara obtained a base on balls and scored on Robertson's two bagger. A base on balls, an out, a hit, and an error scored Ray and Duff in the sixth. A base on balls, a sacrifice, a hit, a man struck with the ball and a three-sacker gave the visitors their final two in the seventh.

Burlington's only tallies were made in the fourth, and both were clean out. Hayes singled, reached second on Hazelton's hit and third on Warner's. Hayes scored on Simon's long fly to centre, and Hazelton came home on Page's hit.

### Tad Lincoln's Chum Dead.

New York, July 21.—Gustave A. Schurman, one of the youngest men to enlist in the Northern army at the beginning of the Civil War, drummer boy and bugler for Generals Birney, Stoneham and Sickles, and friend and playmate for months at the White House of little "Tad" Lincoln, is dead at the home of his daughter in this city. He was a bootblack only eleven years old when the war began.

The lad's father prevailed upon Colonel Riley of the Fortieth New York to take him to the front. At Delo Plain the youngster met "Tad" Lincoln, who had accompanied the President and his mother on a visit to the army. The boys engaged in a horse race and became much attached to each other, with the result that an order was issued attaching the bugler to the President's household.

## RUELBACH WINS EASILY

Almost Shut Out the Bostons  
Yesterday.

### AGAINST LITTLE CY YOUNG

"Big Fellow" Brought in One of Chicago's Three Runs on a Timely  
Single—Chicago Dropped the  
Second Game.

Boston, July 21.—Boston and Chicago broke even in their double-header yesterday, the visitors taking the first game by the score of 3 to 1, with the two youngsters, Ruelbach and Young, pitted against each other, and the home team taking the second, 5 to 4.

Boston could do little or nothing with Ruelbach's delivery in the first game, getting seven hits, while Chicago touched up "Little Cy" for ten. Boston scored in the first inning. Batty singled to right, and Tenny sacrificed him to second. Dolan fouled to O'Neil, but Delehanty connected with the ball for a single, and Batty crossed the plate. Ruelbach closed the inning by fanning Wolverton.

Chicago more than made good, however, in the second. With two down Casey singled. O'Neil did the same, and then Ruelbach brought in Casey with a safe out. Slagle did the same thing and O'Neil scored. The visitors made one more and their last in the third, on a single by Schulte, an error by Cannell and a single by Chance.

Boston didn't get a chance after the second inning, due to Ruelbach's pitching, backed up by brilliant fielding. In the second Ruelbach took Cannell's grounder, struck out Moran and caused Raymer to foul out.

Young, Batty and Tenny went out on grounders in the third. In the fourth Dolan singled and went to second on Delehanty's out to Schulte, but Wolverton and Cannell were easy. Raymer scratched a hit in the fifth, but Moran hit into a double play, while Young flied out. Ruelbach gave Tenny his only free gift of the game in the sixth, but no damage was done, as Tenny didn't get beyond first base. Wolverton and Cannell landed for singles in the seventh, but Raymer batted into another double play, while Moran was disposed of on strikes. One, two, three was the order in the eighth, and the same in the ninth.

After the third inning Young settled down and pitched great ball, but the game was lost in the second inning. The visitors bunched two singles by Evers and O'Neil in the eighth, but Evers was caught off second by Young, who struck out five, to three by Ruelbach, and didn't give a base.

### Fawn Being Brought Up on a Bottle.

Game Warden E. B. Batchelder, of Townsend, has in his possession a young fawn, which was found apparently deserted in Marshboro recently. The little fellow takes its rations five times a day from a bottle with great relish. Many visitors call at the "orphanage" to see the beautiful little creature, which is tame and considerably interested in its admirers. It is not known just what disposition will be made of it, but Mr. Batchelder expects to receive instructions to ship it to Stowe to Commissioner H. G. Thomas as soon as it is large enough to travel.

### THANKS GOD FOR CUTICURA

Mrs. P. Hackett, of 400 Van Buren St., Brooklyn, N. Y., says: "I wish to give thanks for the marvelous cure of my mother by Cuticura. She had a severe ulcer, which physicians had pronounced incurable. It was a terrible disfigurement, and people would stand in amazement and look after her. After there was no hope from doctors she began using Cuticura Soap, Ointment, and Pills, and now, thank God, she is completely cured, and her face is as smooth and clear as ever."

### HE SUES HIS WIFE.

Ingraham Claims Ante-Nuptial Contract Not Carried Out.

New York, July 21.—News comes from Scotland that Nathaniel Gibbs Ingraham is suing his wife, who was formerly Edyth Newcomb, to have her carry out an ante-nuptial settlement, under which Ingraham says he is entitled to \$1,500 a year. He also claims \$4,000 a year under a bond given in his favor.

The suit is being tried in Edinburgh. Mrs. Ingraham says the contract and bond were obtained by fraud. She says that after her separation from her first husband, "Count" Reginald Henshaw Ward, Ingraham induced her by various devices, such as fortune-telling, to institute divorce proceedings against Ward. She also contends that Ingraham induced Ward to consent to the proceedings.

After her divorce from Ward and before her marriage to Ingraham, Mrs. Ingraham says she was taken to a lawyer's office and induced to sign an ante-nuptial contract without knowing what the paper contained. Ingraham says that Mrs. Ward proposed marriage to him first, and that he declined to marry her, but afterward consented because she was in poor health.

### HORSE BROKE MAN'S LEG.

Leonard C. Morgan of Fairfield Injured While Raking Hay.

Fairfield, July 21.—Leonard C. Morgan of St. Rocks while raking hay with a horse rake for Walter Hendrick Tuesday was kicked by the horse while in the act of dumping the rake, and one leg was broken about half way between the knee and the ankle so that the bone protruded through the flesh. Mr. Morgan was alone in a back meadow when the accident occurred. The young man's cries for help were heard by Mr. Hendrick who hurried to the young man's assistance. Doctors E. M. Brown and H. M. Powers, of Sheldon, were called and set the broken leg. The patient is as comfortable as can be expected, and is being cared for at the home of his parents, Mr. and Mrs. T. H. Morgan.

### TREASURY DEFICIT CLIMBS.

For Twenty Days Is Nearly Half That for Last Year.

Washington, July 21.—The Treasury deficit has been rolling up at a heavy rate for the first twenty days of the fiscal year. It is now much more than half as large as the deficit for the fiscal year ending June 30, 1905.

The Treasury statement yesterday puts it at \$15,358,235. The expenditures since June 30 have been extremely high, since in the effort to keep the 1905 deficit down all payments that could be withheld in the closing months of that year were deferred until this fiscal year. A year ago there was a similar experience, and the deficit in the first twenty days of the fiscal year was about \$19,000,000.

### A TREATY WITH GERMANY.

Plans Are Being Considered in Washington.

Washington, July 21.—Negotiations are in progress between this country and Germany looking to the framing of a reciprocity treaty which will serve in some degree to offset the harsh features of the new German tariff law which will become effective on March 1 next. The German Government will after that date impose practically prohibitive duties on the chief American exports of beef and grain. Secrecy is maintained at the State Department as to the present status of the pending negotiations or what has been accomplished.

## TOWN TOPICS' BOOKS SCANNED BY ATTORNEY

Krotel Sees Justice Deuel's Account, and  
Appears to Be Well Satis-  
fied.

New York, July 21.—Asst. Dist. Atty. Krotel yesterday saw Justice Deuel's account in the ledgers of Town Topics, and appeared extremely well satisfied with the result. Quite the opposite feeling swayed that paper's men, judging from what one of them was reported as saying to Mr. Krotel as the latter left the office.

"Now keep this out of the papers, if you can."

Mr. Krotel, it is said replied that he was not acting as press agent for any paper, and that if it was desired to keep anything from the press Mr. Gans, the acting district attorney, should be seen.

The books were seen at noon, as a result of a telephone received yesterday morning by Mr. Gans from Edward Lauterbach, counsel for Town Topics, following Justice Deuel's disclaimer of any desire to keep from the district attorney knowledge as to his connection with the paper.
